

# Mold Frames

## Technical Datasheet

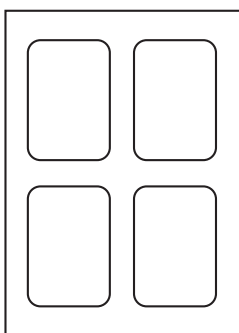

Castaldo aluminium mold frames are available in two popular sizes and three styles.

All have cavities measuring 1 7/8" (46.7 mm) by 2 7/8" (73 mm).

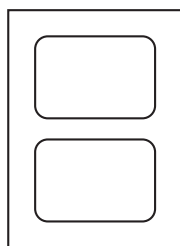

Castaldo aluminium mold frames are available with one cavity per frame (1X), two cavities per frame (2X) and four cavities per frame (4X).

All three styles are available in thicknesses of 3/4" (19 mm) or 1" (25 mm).

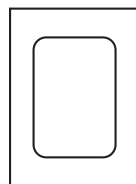

Castaldo aluminium mold frames are machined from extruded aluminium, feature superior workmanship and are attractively packaged.

x4  
3/4" or 1"  
19mm or 25mm

x2  
3/4" or 1"  
19mm or 25mm

x1  
3/4" or 1"  
19mm or 25mm
